

Coke Magee, Superintendent

March 18, 2020

Dear Lee County Schools Family,

Thank you for your patience and understanding during these uncertain times. Please know that the health and safety of students and staff are our top priority. Our teachers, administrators and staff are committed to ensuring that your child continues to have access to educational resources and activities.

Beginning on Monday, March 23rd, at-home learning packets will be available online at www.leecountyschools.us and printed packets will be available for pick-up at the following campuses which are also providing grab-and-go lunches for students:

- Shannon Middle/High
- Plantersville Middle
- Verona Elementary
- Mooreville Elementary
- Saltillo High School
- Guntown Middle School

Students are encouraged to continue practicing math and reading skills at home. For example, students can practice math facts by rolling two dice and adding or multiplying the numbers. Websites, such as Kahn Academy (<https://www.khanacademy.org/>) provide free lessons for students. Other sites, such as Teachers Pay Teachers (<https://www.teacherspayteachers.com/>) are offering free printable resources for students. All students may continue to access learning materials through their ClassLink account. Other online resources can be found on the Lee County Schools home page.

Above all, we encourage students to read and enjoy books and printed material of their choice!
