

## **Announcements for Thursday, April 18th, 2024**

- Let's pause for a moment of silence and reflection as we get our minds right and ready for today.
- At this time, we will have our Pledge of Allegiance...Attention, Salute, Pledge:
  - "I pledge allegiance to the flag of the United States of America and to the Republic for which it stands, one Nation under God, indivisible, with liberty and justice for all."
- Mrs. Dena needs all Checkout notes turned into her by 9:30 in the office. No checkout notes will be accepted after 9:30. If you have turned in a Checkout note, you need to make sure to let Mr. Mickey know as you go by the front window so that he can check your name off of his list. If you are intending to checkout early for any reason, you must have a note with a specific time, first and last name, and a parent signature. If you do checkout, you need to leave campus. If you accidentally forget to turn in your checkout note and leave campus, you can be considered skipping class. If you are getting someone else to write your checkout notes and it is discovered, you will not be allowed to use checkout notes anymore. You will have to have someone come to the school and sign you out.
- When you have excuses for being absent, those need to be placed in the basket inside the 2nd Door of the front office for Mrs. Jessica. If your excuses do not have your first name, last name, and date of the absence on them, then they cannot be accepted.
- Students, you need to be parking in your own assigned spot. If you do not have a parking decal, you need to see Mrs. Dena in the office to purchase one. If someone is parked in your spot, take a picture of their tag and park in the visitors' parking spot or in the gravel parking lot by the buses or the field house until we can get it sorted out. Show us the tag number in the office and we will have Duck run it so that they can move their vehicle or we can have their vehicle towed at their expense.

- No one is allowed to go to their or someone else's vehicle during the school day without a parking pass.
- No hats, beanies, toboggans, ski caps, skull caps, sunglasses, hoods, or blankets are to be worn in the building, the hallway, the Commons, the New Commons, the Band Hall, or the classroom.
- Shirts should be long enough to cover your stomach and should not be tied in a knot in the back to make them short enough to expose your stomach.
