

Dear Parents and Guardians,

Anyone wishing to enroll or attend school in the Lee County School District will have to provide three **(3)** proofs of residence. The same applies if you have pre-registered your child for kindergarten or your child previously attended a Lee County School.

The following are approved proofs of residence:

1. A driver's license or government issued I.D. with your current Lee County address listed.
2. A current utility bill in your name with your current Lee County address listed and dated within 30 days of registration or a Lee County Automobile Registration Receipt valid on date of registration.

Acceptable utility bills include:

- i. Electricity Bill
- ii. Water Bill
- iii. Home Phone Bill
- iv. Gas Bill
- v. Solid Waste Bill
- vi. Cell Phone Bill (must include at least two (2) consecutive months)

3. A copy of your mortgage document or property deed, filed Homestead Exemption Application or apartment/home lease agreement with length of lease stated in the lease agreement.

If utilities are included in your home/lease agreement and you do not have a valid Lee County Automobile Registration Receipt – then you must provide a copy of the home/lease agreement clearly stating that the utilities are included with your lease payment. The length of the lease must also be stated in the lease agreement. This will count as two (2) proofs of residence.

If you cannot provide three (3) proofs of residence, you must obtain a Lee County Schools Affidavit of Residency Form. This form is available online and at any Lee County School. You must also provide two (2) proofs of residence to accompany the Affidavit of Residency.

Failure to provide proof of residence will result in denial of enrollment and your child being withdrawn from school until you have provided the documents listed above. Should you have any questions, please contact your child's school.

Respectfully,
