**The following agreement must be signed and returned to the school office of which your student is enrolled.** Please note that once the agreement has been signed and accepted, returning to the school building for instruction will not be allowed until the next 9 weeks grading period. Application for distance learning must be submitted prior to each 9 weeks grading period. We will not permit students to go between distance learning and face-to face instruction within a 9 weeks grading period.

Please indicate by checking the boxes below that you understand and agree to the following:

- I am applying for my child to receive distance learning instead of a traditional classroom setting.
- I understand that by choosing distance learning, my student will have to remain a distance learner until the close of the 9 weeks grading period.
- If I do not have Internet capabilities at home, I will contact the school to determine the best method of providing access to instruction. Otherwise, I am indicating that I have access to reliable Internet.
- I understand that my child is responsible for completing all classroom assignments and returning completed work on time, or their grades will be negatively affected.
- I will assure the work and all assignments are completed and returned.
- During State Testing, I understand that my child will need to come to the school building to complete some assessments/tests.
