School Lunches

We encourage you to download the app MySchoolBucks or sign up to pay for school lunches through this service.

https://www.myschoolbucks.com/ver2/getmain?requestAction=home

Due to a National coin shortage our cafeteria will not be able to return change to students. The entire amount sent will have to put towards the balance on their lunch account. We ask that you send correct change if you are not able to put money into their account through MySchoolBucks. When forms are made available for lunches,they will be on the LCS website under The Child Nutrition tab.

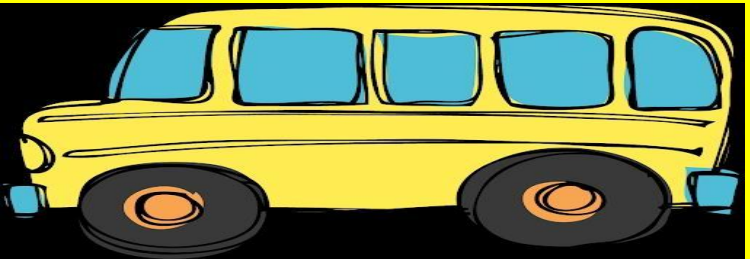
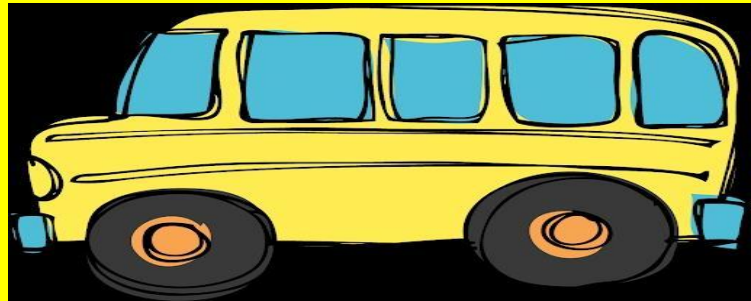
Bus information

- Buses will be sanitized daily
- Please choose in advance if your child will be a car rider or a bus rider and communicate to all of your child's teachers in writing.
- Transportation changes must also be in writing. To ensure all children get home safely, please have any changes to transportation communicated to all of your child's teachers by 1 pm.
- Please note that it is very difficult to practice social distancing on buses, in that buses are (heavily populated) with the students for their home routes. If your child is having visitors whom normally do not ride a particular bus; please make arrangements to pick up children in the car rider line. This will help in keeping our buses from being overloaded.





PLEASE REFER TO THE LCSD POLICY ON FACE MASK USAGE FOR OUR DISTRICT.

It can be found under the COVID-19 tab on the LCSD website.

FACE MASKS

Visitors on Campus

We love our SES family of students, teachers , and parents. We cannot wait until the COVID-19 crisis is over and we can open our campus up. However, due to the LCSD guidelines currently in place we will have a new policy this school year.

- Our campus will be open only for check in/check out of students and by appointment only.
- Visitors will be required to wear a mask.
- Visitors temperatures will be checked by Officer Poole before entry into lobby.
- If visitors have a temperature of 100.4 or higher they will not be allowed into our lobby.

We care about all of our students and their families. We ask that you help us in keeping our families, students, and staff safe while following LCDS guidelines.

CLEANING AND SAFETY

- **High traffic areas and high-touch areas on campus will be cleaned and sanitized regularly while children are in class.**
- **Teachers will limit the sharing of classroom materials as much as possible.**
- **Teachers will also have sanitation and disinfecting supplies available to sanitize materials as necessary**
- **We request parents to check their child's temperature before sending them to school. If your child has a temperature of 100.4 or higher, your child MUST be kept home until he/she is fever free for 72 hours without fever reducing medications.**
- **There will be an isolation room for sick students awaiting parent pick up.**
