

Lee County Schools is committed to the safety and security of our students when using district owned devices and technology. This commitment for safety also extends to those students using a district or personal device to access the internet and online content. We ask that parents/guardians and students review the following policies regarding the use of district technology. Please sign and return the form to school.

RESPONSIBLE USE OF DISTRICT ISSUED TECHNOLOGY AGREEMENT--STUDENT

I accept full responsibility for the safe and secure handling of the technology device(s) issued to me by the Lee County School District. I accept full responsibility for the proper use of the technology device(s) under all school board policies and applicable handbooks. I understand that if there is found to be intentional loss or damage to my device(s) applicable fines may be issued.

RESPONSIBLE USE OF DISTRICT ISSUED TECHNOLOGY AGREEMENT – PARENT/GUARDIAN

As the parent/guardian of the student, I understand my child's responsibility in the use and care of the issued technology device(s) by the Lee County School District. I accept full responsibility for the proper use of my child's technology device under all applicable school board policies and the applicable handbooks. **I understand that if I or my child is found to be the intentional cause of damage to the equipment or fails to return any device including charging cords, adapter, etc., I will be responsible for all fines or replacement costs that may be issued.**

VIRTUAL LEARNING QUESTIONNAIRE

In the event of student quarantine or a school-wide shift to virtual learning, LCSD is committed to meeting the needs of our students and families. Please respond to the following questionnaire to better help us in the event that virtual learning is required.

____ My home has access to the internet and my student has his/her own device that will be used for virtual learning.

____ My home has access to the internet; however, my student will need to be issued a district owned device to be used for virtual learning.

____ My home has no or limited access to the internet, and my student will require paper/pencil learning packets.

INTERNET ACCESS AGREEMENT

In order for a student to gain access to the Internet, the student and student's parent(s) / guardian(s) must sign an Internet Access Agreement.

The superintendent is authorized to amend or revise the following board-approved initial administrative procedure as he/she deems necessary and appropriate consistent with this policy. The superintendent is further authorized to amend or revise the Internet Network Access Agreement with the advice of board counsel.

It must be understood by all concerned that the global and fluid nature of the internet network's contents make it extremely difficult for the board to completely regulate and monitor the information received or sent by students. As such, the board cannot assure parents that students will be prevented from accessing undesirable materials or sending or receiving objectionable communications.

STUDENT ACCEPTABLE USE POLICY

As a user of the Lee County School District computer network, I hereby agree to comply with the rules stated below and to communicate over the network in a reliable fashion while honoring all relevant laws and restrictions. I realize this is a private network provided by the Lee County School District that is for educational use only.

I will not publish or participate in any of the following activities:

1. Composing, sending, or displaying messages, pictures, or web pages containing profanity, nudity, vulgarity, hate group information, pornography, sexually explicit materials, or other materials that are offensive in nature.
2. Using obscene language or vulgar speech.
3. Harassing, insulting, or attacking others.
4. Damaging computers or other technology related equipment, computer systems of other computer networks, and data either intentionally or unintentionally.
5. Violating copyright laws
6. Employing the network for commercial purposes or personal gain
7. Publishing private information about students, faculty, or school related issues (social security numbers, grades, discipline reports, financial statements, and personnel issues).
8. Installing software (including virus and spyware software) and/or altering configurations on computers, networks, and other technology related items.
9. Taking technology related equipment from its designated site.
10. Logging onto the network using another user account revealing login and password information.
11. Revealing login and password information.

I understand and will abide by the above Acceptable Use Policy. Further, I understand that any violation of these regulations is subject to all laws of the United States of America and may constitute a criminal offence. Should I commit any violation, my Internet access privileges may be revoked, school disciplinary action may be taken, and/or appropriate legal action. I understand that I should immediately report to Lee County School District authorities any attempt by other users to engage in inappropriate activities. I also understand that I should not expect data that is property of Lee County Schools to remain private and that authorized staff can inspect any data that resides in web page history and personal folders.

PARENT ACKNOWLEDGEMENT AND PERMISSION

As a parent or legal guardian of a minor student, I grant permission for my child to access networked computer services such as electronic mail and the Internet. I understand that individuals and families may be held liable for violations of FCC rules and guidelines or regulations of the school district and for improper use of copyrighted materials. I understand that some materials on the internet may be objectionable; therefore, I accept responsibility for guidance of internet use –setting and conveying standards for my child to follow when selecting, sharing, or exploring information and media and realize that this network is fully compliant with CIPA (Children’s Internet Protection Act) regulations. The Lee County School District will educate minors about appropriate online behavior, including interacting with other individuals on social networking sites and in chat rooms. The Lee County School District will also educate minors on cyber bullying awareness and response. CIPA laws have been passed that place measures and requirements on public network to protect student information and to prevent viewing of inappropriate material.

My signature on this document hereby releases the LCSD from all claims and damages arising from my use of the LCSD Network.
