

Morning Car Riders will enter the new road on CR 1310. There are two lanes that will move to the school. We will unload the students at the awning. Drop off begins at 7:25 a.m. At 7:50 a.m., the gate near CR 1310 will be closed. Tardy students will need to be taken to the front drive, so they can enter through the office.

This will be the same procedure for afternoon.
