

VISION

Lee County School District serves our communities by providing educational opportunities for all students.

MISSION

The Lee County School District provides a high-quality education in a safe, healthy environment and develops responsible citizens who become productive members of our communities.

MOTTO

Educate. Serve. Inspire.

GOALS

Goal 1

Provide high-quality, student-centered instruction

Strategy 1 - Support the use of Professional Learning Communities (PLCs) for the purpose of professional development, data meetings, teacher mentoring, and fidelity of academic program implementation

Strategy 2 - Support teacher and administrator growth through the Professional Growth Rubric

Strategy 3 - Protect instructional time to ensure that all students have an equal opportunity for success

Goal 2

Build and sustain strong relationships with our communities

Strategy 1 - Build a sustainable network to ensure school programs, schedules, activities, and student achievements are broadcast regularly

Strategy 2 - Ensure each campus designates a staff member to serve as Parent Engagement Coordinator and maintain committees to encourage participation from all stakeholders

Strategy 3 - Create and sustain partnerships with local businesses and organizations to enhance student experiences and success

Goal 3

Engage students in a wide variety of educational opportunities

Strategy 1 - Offer a diverse set of options outside of the core curriculum on all campuses and support the staff who provide these options

Strategy 2 - Offer high demand and high interest career pathways through Career and Technical Education

Strategy 3 - Provide STEAM opportunities at all grade levels through collaboration with school and community experts

Goal 4

Cultivate and foster a safe and healthy school climate

Strategy 1 - Maintain physical and virtual safeguards through the formation of a district safety committee

Strategy 2- Support school leaders in developing positive, sustainable school cultures to attract and retain high quality teachers and staff

Strategy 3 - Provide all students and staff with physical, mental, and emotional health support
